PHOTO BOOTH & VIDEO

We are a photo booth company serving the greater Illinois area. We do all types of events including weddings, corporate events, birthday parties, proms, dances and many more.

Renting a photo booth boosts the fun at any event.

Grown-ups love it. Kids love it. YOU WILL LOVE IT!

Our state-of-the-art booth takes crisp, clear digital photos that you will cherish for a lifetime. The strip features four pictures and you also have an option of adding a custom image on the printout. You choose color or black and white to fit the mood you are having. Even better, you get two copies of your photos! You'll also love being able to leave video messages for event. Call or e-mail now for availability.
